

MAF Journal: Special Issue

Conference delegates are invited to submit papers to a special issue of the *MAF* journal published by **IOP Publishing**.

<https://iopscience.iop.org/journal/2050-6120>

Currently at 2.94 the rapidly rising impact factor of the journal is the highest in the fluorescence field.

The MAF conference series and the journal work in parallel for the benefit of the global fluorescence community in achieving the highest quality research.
